## About This Game

A name forgotten, a memory lost.  
The girl is losing her mind in the paranoia, while the demons surround her.  
She asks for forgiveness after being betrayed.  
Then the song of love and hate is sacrificed.

The game 'Paranoia: Deliver Me' is based on the novel Paranoia, by Yuli. It is an ADV game about youth and school. The story is about a girl named Lingluo, who is trying her best to pursue her dreams of music. She lost her best friend, her confidence, and then was locked inside her own mind. Will she manage to escape from her self-made prison to reunite with her best friend and rebuild her dreams? Or will she remain trapped in her own mind?

Lingluo's fate lies in your hands...
